**KEARNY HIGH SCHOOL
AIRCRAFT NOISE ABATEMENT & RENOVATION
335 DEVON STREET
KEARNY, NEW JERSEY 07032**

ADDENDUM No. 1

The following Drawings and/or Documents have been added, revised and/or updated and shall form part of the bid documents:

NOTE: The drawings labeled 'Structural' (S-100 to S-502) have been incorporated as they were part of the original work. This work was bid as a separate contract and the work is currently ongoing. There are no costs associated with the repair/replacement of brick or stone works nor the requirements for any scaffolding related to that portion of the work. Masonry work and structural works shown at the roof (**S1.1 to S5.3**) to accommodate the new addition must be included as part of this bid. Coordination between this ongoing exterior repair work and the new successful bidder will need to take place.
